THE VEIN DOCTOR FINANCIAL POLICY

We are doing everything possible to hold down the cost of medical care. You can help a great deal by reducing the number of bills we send to you. The following is a summary of our payment policy.

The Vein Doctor accepts PERSONAL CHECKS (in-state only), VISA, MASTERCARD, DISCOVER and MONEY ORDERS. There is a service charge of $25 for each returned check.

Patients with an outstanding balance 60 days or more overdue must make arrangements for payment prior to scheduling further appointments.

INSURANCE:
If you have a diagnosis that is considered medically necessary, we will call your insurance company to verify your benefits for the treatment/procedures we perform. We can only rely on what we are told by your insurance. Insurance companies will never state they will cover treatment for sure. Their standard disclaimer is that determination will be made upon receipt of the actual claim. We strongly encourage each patient to call the insurance company themselves to verify their coverage. It is up to each patient to know the exact requirements of his/her own insurance plan.

We bill participating insurance companies as a courtesy to you. You are expected to pay your copayments, deductible and coinsurance. If we have not received payment from your insurance company within 60 days of the date of service, you may be expected to pay the balance in full. You are responsible to be sure all charges are paid whether by you or by your insurance carrier.

We do not verify secondary insurance benefits for you but again, we urge you to check your benefits and we will file the claim on your behalf.

You may request a copy of treatment done for each date of service (in the form of a superbill).

If you need assistance or have questions, please contact our **Billing Office between 8:00 a.m. and 4:00 p.m., Monday through Friday at 913-234-1671.**

MANAGED CARE:
If you are enrolled in a managed care insurance plan (i.e., HMO), you may need to receive a referral from your primary care physician office before seeing us. It is your responsibility to obtain that referral. Retroactive referrals are not guaranteed.

MISSED APPOINTMENTS/LATE CANCELLATIONS:
Broken appointments represent a cost to us, to you and to other patients who could have been seen in the time set aside for you. **Cancellations are requested 24 hours prior to the appointment.** We reserve the right to charge for missed or late-canceled appointments. Excessive abuse of scheduled appointments may result in discharge from the practice.

I have read and understand THE VEIN DOCTORS Financial Policy. I agree to assign insurance benefits to THE VEIN DOCTORS Practice whenever necessary. Also, I authorize the release of any medical information necessary to process the claims, billings or to obtain payment. I also agree that if it becomes necessary to forward my account to a collection agency, in addition to the amount owed, I also will be responsible for the fee charged by the collection agency for costs of collections.
